

Your child is ill? What to do?

Please report your child sick by 8 a.m. using the **Sdai app's notification function.**

The class teacher will be informed automatically.

Your Child is healthy again:

Give your child a written excuse to take to school on the first day.

Forms for the apology can be found on our homepage:
<http://www.grundschule-wirges.de/Downloads.html>

If you are absent for five or more unexcused days, you will receive a warning. From ten days of unexcused absence, we initiate a fine procedure.

Leave of absence:

No leave of absence will be granted immediately before or after the holidays. A leave of absence can be requested for 5 school days during the entire school period. For more than 3 days, the application for leave of absence must be submitted to the school 2 weeks in advance.
